STUDYING IN AUSTRALIA

About Melbourne

AVETA is located in the heart of Melbourne, capital of the state of Victoria. Studying and living in one of the most liveable cities in the world offers you a whole new perspective. Below is some inside information about the second most populated city in Australia, where on average over a million people use the city and each year Melbourne hosts in excess of a million visitors.

There is much to love about Melbourne. This sophisticated city in the south-east corner of mainland Australia, inspires a deep passion in Melbournians. Melbourne has a vibrant energy, amazing choice of restaurants, funky boutiques, cafe-filled laneways, cool bars, world-class galleries, sensational parks and village-like inner suburbs, each with its particular charm and character.

SPORTS

Melbourne is regarded as Australia's sporting capital, hosting a range of international sporting events every year, ranging from the Boxing Day Test (Cricket), the Formula One Grand Prix, the Australian Open (Tennis) and the list goes on. In addition, Australian Football League (AFL) is played during the winter months and for some it is almost their religion.

With a population of over 5 million people, Melbourne is an inclusive multicultural society, with over 140 nationalities from all around the world.
