# **ENTRY REQUIREMENTS AND SELECTION POLICY**

### **1.0 ENTRY REQUIREMENTS**

This policy is in place to ensure that all students who gain entry into a course of study/program to obtain a qualification that is listed on AVETA scope of registration and CRICOS meet AVETA's entry requirements.

The following outlines the entry requirements for International students, as well as the administrative procedures for enrolment for students intending to study at AVETA.

#### **1.1 AVETA's General Entry Requirements**

- a) All students must be aged 18 years or over at the time of their enrolment at AVETA

#### **1.2 RTO Standards 2015 Entry Requirements**

AVETA will determine any prior learning that an individual may have acquired through formal, non-formal and informal learning (RPL) to determine the extent to which that individual meets the requirements which are specified in the course in which a student is wanting to enrol (as per Clause 1.12 RTO Standards 2015). Note – RPL is not taken into account for English Courses on AVETA's CRICOS Scope of Registration as this is taken into account when processing the Placement Assessment for these courses.

#### **1.3 National Code 2018 Entry Requirements (Standard 2.2)**

AVETA will assess whether the overseas student has met the following:

- English language proficiency (see 1.5 below for the detailed process that will be followed by AVETA in determining each enrolling student's English language Proficiency),
- educational qualifications (AVETA refers to the individual Training Package to determine whether a pre-requisite qualification is required for the course in which the student is wanting to enrol) or
- work experience (AVETA refers to the relevant Training Package to determine whether prior work experience is required for the course in which the student is wanting to enrol)

#### **1.4 Training Package Entry Requirements**

- a) SIT Training Package entry requirements:
  - There are no entry requirements for this Training Package.
- b) BSB Training Package entry requirements:
  - There are no entry requirements for this Training Package.

#### **1.5 English Course Entry Requirements**

- a) General English (CRICOS) entry requirements:
  - Prior to enrolment, all students enrolling in this course will be required to complete the General English Placement Assessment to determine which level they need to be placed in (from Beginner, Elementary, Pre-Intermediate, Intermediate, Upper Intermediate to Advanced Level).
  - Each level is timetabled over 14 weeks taking into account Public holidays, and Re-assessment and Catch-up days. To level-up a student will need to achieve an overall score of 70% across all the four English Macros of speaking, reading, writing and listening.
  - The minimum enrolment period for a level is 4 weeks to accommodate the needs of individual students; and can be up to 84 weeks depending on the original Placement Level and on the needs of individual students.
  - The General English Placement Assessment will be undertaken by an Assessor with an English Language qualification (e.g. a Certificate IV in TESOL or a higher qualification that contains TESOL as a method).

### 1.5 English Course Entry Requirements (Contd.)

c) IELTS Preparation entry requirements:

- Prior to enrolment all students enrolling in this course will be required to determine which level they wish to be placed in (i.e. IELTS 5, IELTS 6 or IELTS 7.5).
- Each level is timetabled over 14 weeks taking into account Public holidays, and Re-assessment and Catch-up days. To level-up a student will need to achieve an overall score of 70% across all the four Macros. The minimum enrolment period for a level is 14 weeks and can be 28 weeks (for 2 levels) or 42 weeks (for 3 levels) depending on the needs of individual students

### 1.6 For VET Training Package Courses – English Language Entry Requirements for International Students

For AVETA's SIT & BSB Training Package Courses, AVETA has determined that overseas students –

a) Must have obtained one of the following:

- an IELTS band score of at least 5.5 - or equivalent (or 5.0 where the test score is combined with at least 10 weeks ELICOS) or 4.5 where the test score is combined with at least 20 weeks ELICOS (<https://www.homeaffairs.gov.au/trav/stud/more/student-visa-english-language-requirements>); (Note - IELTS - results are valid for two years only: reference: <https://support.cambridgeenglish.org/hc/en-gb/articles/202838296-How-long-are-my-results-and-certificate-valid-for->); or

b) Must have completed a Certificate IV, Diploma or Advanced Diploma level Training Package course in Australia; or

c) Must have completed any Certificate III or Certificate IV in ESL or EAL from the ESL/EAL Framework (VIC).

d) Must have completed the ELICOS Course: General English: to the Intermediate Level; or

Note –

1) As AVETA has registered their General English Course (on CIRCOS) for 84 weeks (6 levels x 14 weeks); where an International student has obtained an IELTS Band score of 5.0 AVETA will enrol the student for 14 weeks of ELICOS (at the Intermediate level) or where they obtained a Band Score of 4.5 AVETA will enrol the student for 28 weeks of ELICOS (in the Pre-Intermediate and then the Intermediate level: 2 levels x 14 weeks = 28 weeks).

2) If an International overseas student is unable to provide any of the above evidence at the time of enrolment they will be required to complete AVETA's English Language Proficiency Assessment to ensure that they have the required English proficiency level for the course in which they want to enrol. This assessment will be undertaken by an Assessor with an English Language qualification (e.g. a Certificate IV in TESOL or a higher qualification that contains TESOL as a method). For PRISMS purposes – AVETA will identify the following: Department of Industry Copyright 2013.

b) For VET SIT & BSB Training Packages Courses - Applications from International students wishing to transfer from another training provider will be assessed according to AVETA's P.20.01a Transfer between Registered Providers Policy and Procedures International Students. AVETA will not knowingly enrol a student who wishes to transfer from another training provider before the student has completed six months of their principal course except in circumstances outlined in Standard 7 of The National Code. These restrictions also apply to courses taken before the principal course in a package of courses.

### 1.7 Unique Student Identifier (USI) Number:

From 1 January 2015, all students doing nationally recognised training will need to provide AVETA with a Unique Student Identifier (USI). This includes students doing Vocational Education Training (VET) in schools.

A USI is a reference number made up of numbers and letters. Creating a USI is free. It creates a secure online record of your nationally recognised training that you can access anytime and anywhere, and it's yours for life.

The USI is linked to the National Vocational Education and Training (VET) Data Collection, and this means an individual's nationally recognised training and qualifications gained anywhere in Australia, from different training organisations, will be kept all together.

The USI will:

- link a student's VET achievements, regardless of where in Australia they did the course
- let students easily access secure digital transcripts of their achievements (transcripts will be available from January 2016)

give students more control over their VET information. In addition, enrolling students can consent to AVETA creating a USI on their behalf.

## 2.0 PROCEDURE

### 2.1 Student Selection

The student selection process at AVETA is conducted in an ethical and responsible manner. Entry requirements are in accordance with all Australian and Victorian Equal Opportunity regulations.

#### 2.1.2 For International Students Only:

- a) AVETA's Administrative Department will attach all relevant Certified Academic Certificate/s (**Year 12 is recommended as a minimum requirement**) in line with AVETA entrance requirements to the AVETA's Enrolment Form (for enrolment purposes only – reporting requirement).
- b) Proof of English Language proficiency:
  - Have completed the ELICOS Course: General English – Intermediate Level
  - Have obtained an IELTS band score of at least 5.5 - or equivalent; or 5.0 where the test score is combined with at least 10 weeks ELICOS or 4.5 where the test score is combined with at least 20 weeks ELICOS (<https://www.homeaffairs.gov.au/trav/stud/more/student-visa-english-language-requirements>); (Note - IELTS - results are valid for two years only: reference: <https://support.cambridgeenglish.org/hc/en-gb/articles/202838296-How-long-are-my-results-and-certificate-valid-for->); or
  - Have completed a Certificate IV, Diploma or Advanced Diploma Level Training Package course in Australia; or,
  - Have completed any Certificate III or Certificate IV in ESL or EAL from the ESL/EAL Framework (VIC).

**Note A – 1)** As AVETA has registered their General English Course (on CIRCOS) for 84 weeks (6 levels x 14 weeks); where an International student has obtained an IELTS Band score of 5.0 AVETA will enrol the student for 14 weeks of ELICOS (at the Intermediate level) or where they obtained a Band Score of 4.5 AVETA will enrol the student for 28 weeks of ELICOS (in the Pre-Intermediate and then the Intermediate level: 2 levels x 14 weeks = 28 weeks).

**Note B -** If an International overseas student is unable to provide any of the above evidence at the time of enrolment they will be required to complete AVETA's English Language Proficiency Assessment to ensure that they have the required English proficiency level for the VET course in which they want to enrol. This assessment will be undertaken by an Assessor with an English Language qualification (e.g. a Certificate IV in TESOL or a higher qualification that contains TESOL as a method). If this assessment process identifies that they do not have the required level English Language proficiency they will then be required to enrol in an English Language Course (ELICOS; with mandatory attendance requirements) at AVETA in order to improve their English Language proficiencies to the General English – Intermediate Level before they can enrol in a VET Course at AVETA.

**Note C –** Where an overseas student provides proof of their English Language Proficiency (as listed above), AVETA's Enrolment Officer will verify the documentation with the issuing organisation.

- 2.1.3. All students will undertake a Language, Literacy, and Numeracy (LLN) assessment prior to their enrolment or commencement (whichever is the earliest), so that AVETA can determine if the student needs additional LLN support during their studies. AVETA uses LLN Robot system which provides a gap analysis as well as recommended activities for the monitoring and evaluation of the support being provided.

**Note:** All documents that are presented by the potential student as part of the enrolment procedure must be translated into English (NAATI-National Accreditation Authority for Translators and Interpreters Ltd)
