Section 1 Survey response rates

	Surveys issued (SI)	Surveys received (SR)	% response rates = SR *100 / SI
Learner engagement	693	600	86.6%
Employer satisfaction	No surveys were issued as AVETA did not deliver or assess in the workplace	N/A	N/A

Trends of response statistics:

- which student/employer cohorts provided high/low response rates
- how did response rates compare with previous years (if applicable)

AVETA's targeted response rate for this survey is 85% or more respondents for all qualifications on its Scope of Registration for the Learner Engagement Survey. The response rate was lower due to the impact of COVID-19 and AVETA was able to achieve this benchmark for 2020 in comparison to previous years which is as below:-

2019 - 97.6% 2018 - 93% 2017 - 95% 2016 - 88% 2015 - 90%.

Section 2 Survey information feedback

What were the expected or unexpected findings from the survey feedback?

The Learner Engagement survey has a 4 point scale as follows:

1 = Strongly Disagree

2 = Disagree

3 = Agree

4 = Strongly Agree

AVETA's targeted response rate for 2020 was to average at least 3 points or above for all of qualifications on its scope of registration for students who completed a qualification in that year. AVETA was again able to achieve this target for 2020 following on from previous years from 2014 to 2019.

AVETA actual response rate across all Learner Engagement Indicators for 2019 was 3.44

What does the survey feedback tell you about your organisation's performance?

The 2020 learner feedback indicated that AVETA's aim of providing quality educational services to its overseas students has again been achieved, as indicated by those overseas students, who completed qualifications on AVETA's Scope of Registration throughout 2020. This achievement reconfirms AVETA's focus on maintaining the provision of quality education products and services for our students on a daily basis; and is considered by AVETA to be one of the major contributing factors for AVETA's overseas students achieving their educational goals.

Section 3 Improvement actions

What preventive or corrective actions have you implemented in response to the feedback?

AVETA regularly conducts internal review of its operations and believes this has allowed AVETA to maintain our targeted response rates from students.

How will/do you monitor the effectiveness of these actions?

AVETA's Team will continue this strategy of continuous improvements with their hands-on approach, in the delivery of quality educational services to its overseas student cohort, and will continue this process into 2021 and beyond.
