- Clearly outline and inform overseas student before they commence this course, of the requirement to achieve satisfactory course progress; by attending all timetabled classes.
- AVETA will use its Web-site, Education Agents, Brochure and Pre-enrolment Information Sheets (for each course on its scope of registration) to inform prospective students of this requirement
- Ensure that expected duration of study specified in the overseas student's CoE will not exceed the CRICOS registered duration for this course i.e. 78 weeks.
- Monitor overseas students' course progress for this course (in which the overseas student is enrolled) to ensure the overseas student is in a position to complete their course within the expected duration specified on the overseas student's CoE.
- AVETA's Trainer/Assessor responsible for a group of enrolled overseas students will regularly monitor course progress of their students
- Identify, notify and assist an overseas student at risk of not meeting their course progress requirements, in sufficient time for students to achieve satisfactory course progress, where there is evidence from the overseas student's Assessment Tasks (i.e. not submitting all the evidence for a Unit of Competency by the timetabled end date for a Unit of Competency) that this determines that the overseas student is at risk of not meeting this requirements i.e. the overseas being unlikely to complete their course within the expected duration specified on the overseas student's CoE.
- AVETA's Trainer/Assessor responsible for a group of enrolled overseas students will initiate AVETA's Intervention strategy for these students to assist them so that they can complete their course within the expected duration specified on the overseas student's CoE. The Trainer/Assessor will initially utilise the re-assessment and catch-up days provided in each timetable for this purpose. The Intervention strategy will be documented, signed and dated and placed on the particular overseas student's file; with a copy provided to the student.
- Continue to assess the overseas student and if they continue to be at risk of not meeting their course progress and attendance requirements, AVETA will give the overseas student a written notice as soon as practicable which:
- Will notify the overseas student that AVETA intends to report the student for unsatisfactory course progress; and will inform the student of the reasons for the intention to report; and will advise the student of their right to access AVETA's complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.
- Only report unsatisfactory course progress or in PRISMS in accordance with section 19(2) of the ESOS Act if:
 - the internal and external complaints processes have been completed and the decision or recommendation supports AVETA, or
 - the student has chosen not to access the internal complaints and appeals process within the 20 working day period, or
 - the student has chosen not to access the external complaints and appeals process, or
 - the overseas student withdraws from the internal or external appeals processes by notifying AVETA in writing.
 - AVETA may decide not to report the overseas student if the student is maintaining satisfactory course progress.
- With regards to the ESOS Regulations 2019 (from 1 October 2019), where a student has breached a condition of their student visa with respect to course attendance or progress requirements; AVETA will give the following information in the Provider Registration and International Student Management System (PRISMS) specifically - the student's contact details, their residential address in Australia and their residential address overseas.
- Not extend the duration of an overseas student's enrolment if the overseas student is unable to complete the course within the expected duration, unless:
 - there are compassionate or compelling circumstances, as assessed by AVETA on the basis of demonstrable evidence, or
 - where AVETA has implemented, or is in the process of implementing, an intervention strategy for the overseas student because the overseas student is at risk of not meeting course progress requirements, or
 - an approved deferral or suspension of the overseas student's enrolment has occurred under Standard 9 (Deferring, suspending or cancelling the overseas student's enrolment).
- If AVETA extends the duration of the student's enrolment, AVETA will advise the student to contact Department of Home Affairs to seek advice on any potential impacts on their visa, including the need to obtain a new visa.
